5/ 38		XL/ 19-21	XXXL
7/ 40-41		XXL/ 21-23	
11/ 45-46			
13/ 48			

* Clo:

The insulation of X-Tex Finnfill is measured in international Clo-units that show the real insulation property of the suit. "Clo" is a measurement of the thermal comfort of a suit or device when it is in the water. The larger the Clo number, the longer the survival time in the water.

By way of comparison, 200gsm thinsulate has a Clo value of 0.6, and 400gsm thinsulate has a Clo value of 1.3.
